American Bombe
How the U.S. Shattered the Enigma code
Shalom Silbermintz
I am not a historian

The International Spy Museum rocks!
Some terms

Enigma

Ultra

Shark (Triton)
History of the Enigma

• First model introduced in 1923
• Polish first to understand
• Poles handed over info to British
Cooperation across the pond
OP-20-G
Concern over American ability to keep secrets
THE TOOLS OF VICTORY ARE IN NCR HANDS

Let’s get there first with the MOST

NCR & U.S. Naval Computing Machine Laboratory
