

9 Unbrick My Part

*by EVM and Tommy Brixton
(no relation to Toni Braxton)*

Don't leave me stuck in this state
Back out the changes you made
Restore and cycle my power
Take these double faults away
I need you to reflash me now
My screen just won't come on
Please hold me now, use and operate me

Unbrick my part
Flash my ROM on again
Undo the damage you caused
When you jacked up my image and wrote it back on
Un-ice this freeze
I crashed so many times
Unbrick my part
My part

Restore my interrupt table
Fix up my volume labels
My debug registers are filling with tears
Come and clear these bugs away
My checksums are all broken
My CRCs are bad
And life is so cruel without you to operate me

Unbrick my part
Flash my ROM on again
Undo the damage you caused
When you jacked up my image and wrote it back on
Un-ice this freeze
I crashed so many times
Unbrick my part
My part

Don't leave me stuck in this state
Back out the changes you made
Please hold me now, use and operate me
