Remember the password you validated in August? If not, ... better start looking for it.

Saturday, Sept 18<sup>th</sup> (yep! that's tomorrow) we will convert to ACF security!!

You sign on to MULTI just as you do today, and your menu will look the same: i.e.

```
----- MULTIPLE APPLICATION INTERFACE SELECTION MENU  
COMMAND ==>
```

```
---ID--- STATUS  
CICS1(1) (->  
CICS1(2) (->  
TSOF      (->  
WIHSS     (->  
WAIIPVA   (->
```

When you select CICS1 & enter, the returning screen will look a little different from what you see today.

STEP 4- <Enter your LOGONID (same as your userid--first initial and last six characters of SSN) and your PASSWORD>

(password that you validated in August)

\* enter

continue to sign on as you do now, ex: Cesn, KRSN, etc

Please read the attached information. It will be especially important if you have any problem signing on.

IF you have any questions please see the IC, ANBIE OR your manager.

This Saturday, September 18, we're converting SORD/CRIS to ACF2 Security.

\* Conversions like this generally prompt many calls to the Help Desk for assistance. We want those of you who work directly with customers to receive prompt attention—so a special Help Line has been temporarily established for you. \*\*\* (414) 549-7659 \*\*\*

The special help line will be manned during the times listed below:

\* SATURDAY - 9/18/93 7AM-11AM  
MONDAY - 9/20/93 8AM- 5PM

If you can't get thru on the above number, try the Regional Help Desk (312) 930-3800. Please do not call the temporary help line after Monday.

Thank you.
