Local Calling

Official Centrex Dialing Guide — Metro Milwaukee

All company telephone numbers with the following first three digits can call each other by simply dialing the four digit extension number.

678 549 768 535 797

To dial between 456 business office numbers dial 8 and the four digit number.

Other Important Numbers

To Report Trouble - Milwaukee Area	9	611
Information Metroplan Area	9	1 411
Information - Other than Local	9	1
Area Code (If Required)		555-1212
Employee Locator —		
Metro Milwaukee		678-6271
All Others Call Toll Free - Dial '1' and Then		393-3542

NOTE: Although the procedures to activate features are the same in every Centrex the codes differ. The following activation codes apply only for Metro Milwaukee Centrex lines with a 678, 549, 797, 535 and 768 prefix. All other Centrex users should verify their particular activation codes before reporting trouble.

To Transfer A Call

1. Depress the switchhook once and release it.
2. Listen for steady dial tone.
3. Dial the desired four or five digit extension number.

When the intended party answers, announce the call, depress the switchhook once and release it. Your call is now connected to the other extension and you may hang up.

Consultation Hold

To hold an existing call while consulting with another party:

1. Depress the switchhook.
2. Listen for steady dial tone.
3. Dial the number of the consulted party.

When consultation is completed, depress the switchhook twice to connect original party and drop third party.

Local Calling

Call Hold

To put a call on indefinite hold from a single line telephone:

1. Depress the switchhook.
2. Listen for steady dial tone.
3. Dial 190

You are now free to conduct business or make another call. When you wish to return to the held call, simply hang up or depress the switchhook.

Threeway Conference

To add a third party to an existing conversation:

1. Depress the switchhook.
2. Listen for steady dial tone.
3. Dial the number of the party to be added.
4. When the intended party answers, announce the conference and depress the switchhook to add the original party.

To drop the third party from the conference, depress the switchhook and you will return to the original two party call.

NOTE: When transferring a call or creating a conference if a busy or don't answer condition is encountered, depress the switchhook twice to return to the original call and drop the busy or ringing signal.

Four To Six Party Conference

To establish a conference of between four and six parties:

1. Dial 192.
2. Dial first party, announce conference.
3. Depress switchhook, dial second party.
4. Depress switchhook to add party to conference.
5. Repeat steps 3 and 4 to add additional parties.

Should a busy, don't answer, or wrong number be encountered, simply hang up. The phone will ring and you'll be reconnected to the conference.

Call Forward

To forward your calls to a number with the same first three digits:

1. Dial 195.
2. Listen for steady dial tone.
3. Dial the four digit number calls are to be forwarded to.

Local Calling

To forward calls to a number that does not have the same first three digits:

1. Dial 195.
2. Listen for steady tone.
3. Dial the Asterisk (*).
4. Dial the seven digit number calls are to be forwarded to.

To cancel a call forward arrangement dial 196.

Speed Call

To program a number into a six number speed call list:

1. Dial 193.
2. Listen for steady dial tone.
3. Dial the appropriate speed call digit 2 through 7.
4. Dial the regular four, seven, or ten digit number.

Long Distance Calling

Long Distance Calls

From a Centrex Line
..... 9 1 Area Code (If Required) 7 digit number

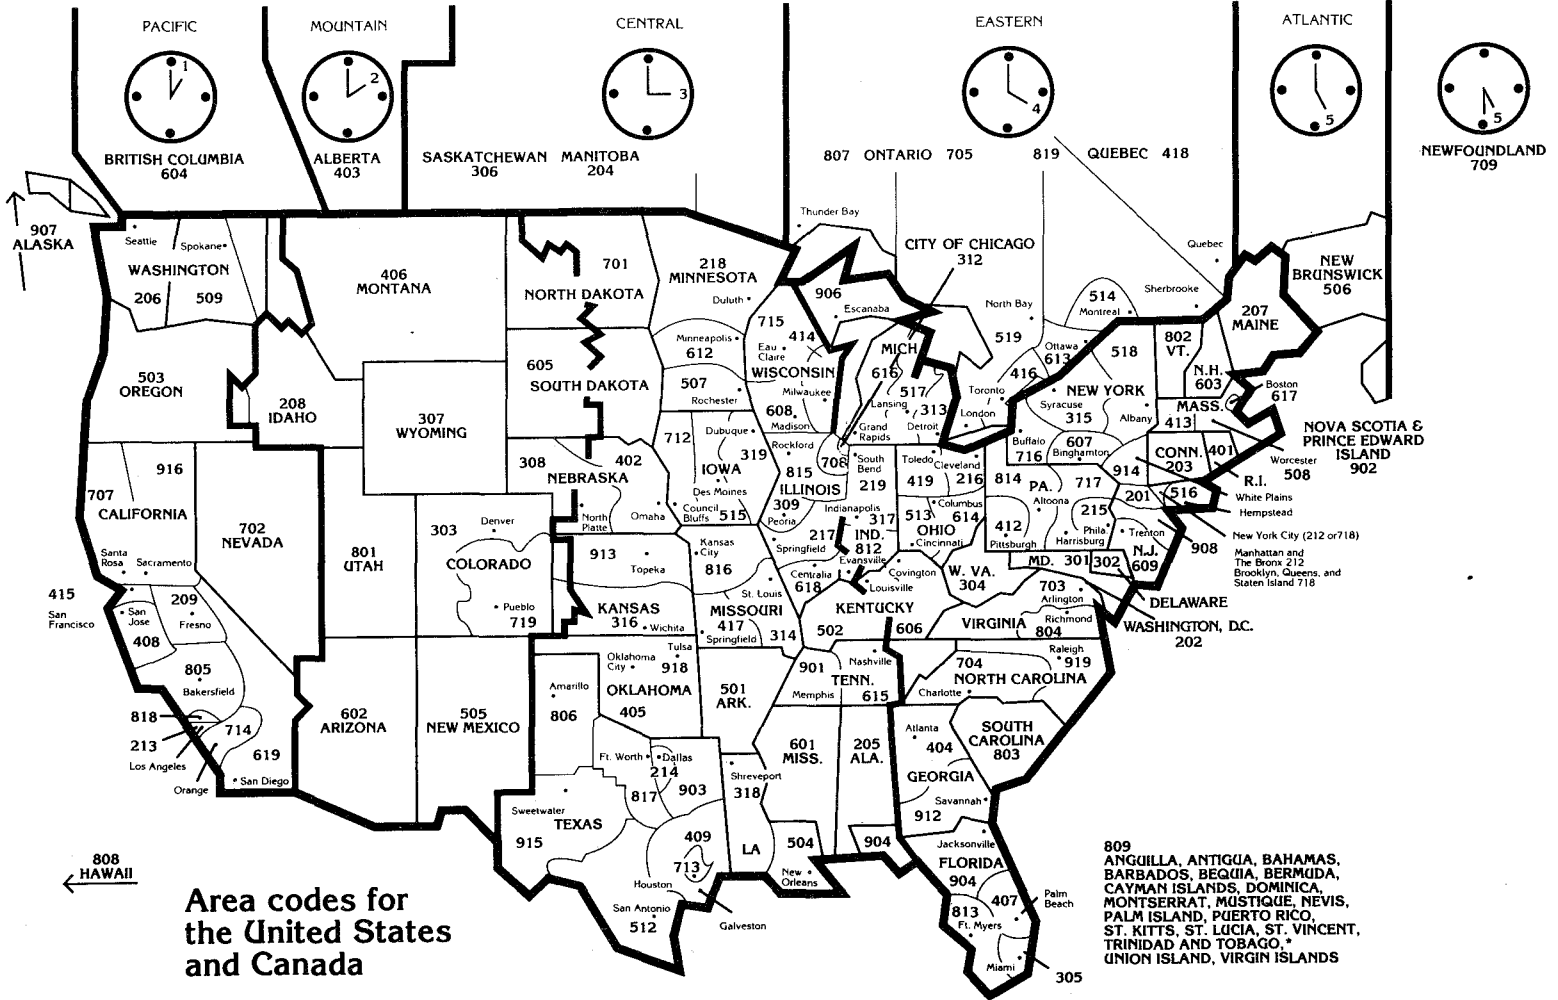

From a non-Centrex line
..... 1 Area Code (If Required) 7 digit number

Operator-Assisted Calls 9 0 number

Calling Card Calls 9 0 number (wait for tone) card number

Reporting Trouble

To report a trouble on your equipment or on your line from a Centrex or non-Centrex telephone, dial the repair number listed in your local directory. In Milwaukee dial 611.
