State Lodge “Wall of Fame” Needs Updating

In the FOP National Headquarters in Nashville, one wall is dedicated to the State Lodges and each State Lodge has a framed display with the state flag, when the lodge was chartered, and photos of the State Lodge President, Secretary, and National Trustee. That is, there are photos of these officers where we have received updated photos of them! The wall is missing a number of photos - either because we never received one after repeated requests, or because the State Lodge conference was held, officers changed, and those new officers have never sent in their photos in order to update their state's display.

In the next few weeks those State Lodge officers for whom we do not have a photo will be receiving an email from Joyce Jackson (jjackson@fop.net) requesting you email back a high resolution jpeg photo. Please make every effort to get one in. It's preferable that it be a posed photo and if you're still active in law enforcement, perhaps in uniform - but that is not required. We can crop pretty much any photo so as long as your head and shoulders clearly show and the photo is high resolution. So if you don't want to take the time to “pose” for a photo, find something of yourself (relatively current!) that you can send us.

Don't let the State Lodge “Wall of Fame” be your State Lodge's “wall of shame!” Get those photos in. Even if you don't hear from Joyce, if you have a more recent photo that you would like for us to replace the existing photo with, send it on as well!

Law Enforcement Decanter Collection Donated to National Headquarters

Darren Wolpert of Alexandria VA recently donated a large collection of decorative decanters with a law enforcement theme to the FOP Foundation. The collection is on permanent display at the National FOP Headquarters in Nashville.
